

Loop of Henle cells

Proximal tubule S1/S2 cells

Distal convoluted tubule cells

Proximal tubule S3 cells (type 1)

Active proliferating cells (Ki-67+)

Medullary collecting duct cells

Collecting duct principal cells

Paraneuronal body cells

Proximal tubule S3 cells (type 2)

Podocyte

Stem cells (Kit+)

Collecting duct intercalated cells

Endothelial cells

Renal pericytes
